MR. FRANK O. PACKARD

Mr. Frank O. Packard was born in Barnard, Vermont, April 12, 1856 and came to Hinsdale in 1880. He and his wife live in their home on Highland Ave., which he built himself in 1889.

His record as a town office holder probably has few equals anywhere. He served the town of Hinsdale as follows:

Fence Viewer to 1929, 5 years.

Police Officer to 1932, 32 years.

Overseer of Charity to 1933, 13 years.

Health Officer to 1934, 9 years.

Deputy Sheriff to 1939, 23 years.

Enumerator of school children to 1940, 23 years.

Collector of taxes to 1942, 39 years.

At a meeting of the City and Town Collectors Association of New Hampshire in 1941, he was honored by his colleagues, who presented him with a pen and pencil set in honor of his serving the longest time by many years of any tax collector in the state. The New Hampshire Tax Commission has praised his work as Tax Collector.

In any of the town offices he was always devoted to his work. In collecting taxes and as a police officer he displayed rare tact.

In May, 1942, after serving as Tax Collector for 39 years, Mr. Packard resigned, owing to ill health.

The citizens of the town deeply appreciate all his years of service which was work always well done. The wish of everyone is that he will be well and happy, and be with us for many years to come.

SUPERINTENDENT'S REPORT OF THE WATER AND SEWER WORKS

To the Water and Sewer Commissioners and citizens of
Hinsdale:

I herewith submit the following report.

We have 330 users at present.

The amount of water in gallons filtered in 1942 are as follows:

January,	2,878,400
February,	2,740,600
March,	2,559,400
April,	2,344,600
May,	2,739,100
June,	2,387,100
July,	2,553,600
August,	2,321,100
September,	21,070,000
October,	2,210,100
November,	1,988,000
December,	3,025,800

I have attended several New England Water Works Association meetings, also attended a two day school in Boston on local civilian defense. I would like to suggest if the water should come with a large amount of rust please notify me at once as it may be a broken main somewhere.

In closing this report I wish to thank the commissioners, selectmen, fire chief and his assistant engineers for their cooperation during the past year.

Respectfully submitted,
CHARLES W. HARRIS,
Superintendent.

The annual physical examination of school children was started soon after the opening of school in the Fall. This year the most outstanding defect among all the students was that of defective teeth. A school dental clinic was conducted with Dr. J. H. Grimes of Hillsboro, N. H., as dentist.

An effort is made to visit the schools daily as it has been found that it is much easier to control diseases or illnesses that might occur in the schools by checking the attendance every day. These daily visits to the schools include classroom and individual inspection of the students, treatment of minor injuries and health supervision.

Last spring there was an epidemic of german measles; 165 cases were reported, also a few scattered cases of chicken pox; mumps; and whooping cough.

Clinics for correction of defects:

Tonsil and adenoid clinic, Dr. Eades and Dr. Ford, Elliot Community hospital,	9
Orthopedic clinic, Dr. MacAusland, Elliot Community hospital,	1
Dental clinic, Dr. Grimes,	144
Tuberculosis clinic, Dr. Kerr,	8
Total number of students treated in school,	513
Total number of parent consultations, home visits,	319

Last March the Red Cross Home Nursing Course was conducted. Eleven adult women received their certificates from the American Red Cross.

This fall it was not felt necessary to have milk distributed at the Bridge St. School due to the fact the children were getting a sufficient amount at home and the milk dealers felt they could not give their time for this extra work.

The Nursing Service was visited by Miss Ethel Holmes, State Nursing Consultant, American Red Cross, April 27; December 8-9 and by Miss H. Bonheyho; Area Supervisor from the Metropolitan Insurance Co., May 13th and 14th, 1942.

At this time I wish to thank the members of the Local Red Cross Committee, the physicians and the community as a whole for the cooperation and assistance given in promoting the work of the Red Cross Nursing Service.

Respectfully submitted,

FRANCES M. SIKOSKI, R. N.

The circulation of books has decreased this year. People are reading less, but more people are reading and many strangers have registered. They enjoy the older books, as many come from places where there are no libraries.

With so many young men in the service there are very few who use the reading room at night, as it was these young men who were around the tables, we miss them very much and hope for their return.

Cards were sent to all men in service until the Red Cross decided to do this work. Many letters were received from the boys and enjoyed and passed to others to read. However, it would have been too expensive and have taken more time than we could give to it as more boys left, so we were very glad to have the Red Cross continue this worthwhile project.

One of the best and latest encyclopedias was purchased this year, The Encyclopedia Americana.

The librarian attended the New Hampshire State Library meeting at Concord in May, all other meetings being postponed due to traveling conditions.

It becomes increasingly difficult to obtain the new books as soon as they are published but we shall endeavor to give the best service possible under changing conditions. Privileges are granted to all those finding it difficult to get to the library because of gasoline rationing and others will be allowed if the need arises.

REPORT OF HINSDALE PLAYGROUND COMMITTEE

We have a new playground undertaking. The land was recently purchased by the town from the Hinsdale Playground Holding Association. The space is large and ample. The surface is comparatively level, newly seeded and located not far from the center of the town.

At present a well laid out baseball field, practice diamond, soft ball field, archery range and shuffle board court are provided for the older children and adults. A basketball court, volley ball, croquet, four horseshoe courts

and goal-hi are maintained and equipped for grade and high school age children. For the younger children swings, teeters, slides, horizontal bars, trapeze rings and climbing ladders are used.

Sand boxes, sand tables and table tennis are sheltered by the open sheds. This same building is used for shelter in case of storms. The recreation room is equipped with counters, show cases, coolers, large electric refrigerators, popcorn machine, gas stove, etc., so that tonic, lunches, popcorn and other refreshments may be sold to supplement the playground income. It provides for small informal parties, games, reading and rest periods for the smaller children.

During the past year a large double outdoor fireplace has been built large enough for clambakes, group gatherings or it may be used separately for family gatherings. All the outdoor equipment was painted and the drinking fountain was relocated. A location was provided for the observation post seemingly making an ideal spot to combine recreation and duty.

Although the profits from Labor Day may not have been as large as in past years, much permanent equipment was built such as substantial booths, stands and racks for prizes which may be used from year to year. The Preparedness Parade and Field Day held in conjunction with Labor Day were well patronized considering the gasoline shortage.

During the early summer Mr. Ralph Hammond was employed as caretaker. The committee was sorry to find that he was unable to continue his duties and they found it necessary to combine the position of caretaker and supervisor. They were fortunate in obtaining the services of Mr. Carl Richmond, Music Supervisor of the Hinsdale Schools. Having had considerable playground experience he formulated and carried out very successful plans for the summer. The average attendance was 38 daily during the supervised period with uncounted others using the playground during the evening.

The playground was used by the schools for May Day, the grade school picnic, other school classes and many adult groups for gatherings, clambakes, family reunions and just good fellowship. It is expected that a commando course will be laid out in the spring to be used in connection with the physical education course.

Good play teaches children leadership, cooperation, enthusiasm, pep, courage and the will to do right. Fair play stimulates respect for the rights of others, helps teach children how to win and how to lose gracefully, develops a balanced judgment, sympathy for the weak and distressed, patience, tolerance and a sense of humor. These essentials to good character and honest living are available in well planned recreational programs and will help reduce and prevent juvenile crime in our community and make our children into useful citizens.

We wish to thank all friends and organizations particularly the Men's Club of the Catholic Church who have helped in many ways during the year.

ANNUAL REPORT

OF THE

SCHOOL BOARD

OF

Hinsdale School District

FOR

FISCAL YEAR

JULY 1, 1941 — JUNE 30, 1942

In Memoriam

With deep sorrow, the School Board of the Hinsdale School District records the death on December 17, 1942 of Mrs. Dora E. Smith of North Hinsdale. Mrs. Smith had served as a School Board member for a period of nearly ten years, having been elected to serve as a Board member in March, 1933. She was a most conscientious and earnest worker, always interested in the progress of the children and the welfare of the schools of the district.

THE STATE OF NEW HAMPSHIRE SCHOOL WARRANT

To the inhabitants of the School District in the town of Hinsdale qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the ninth day of March 1943, at 2 o'clock in the afternoon to act upon the following subjects:

1. To choose a Moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose a member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To hear reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
6. To choose Agents, Auditors, Committees in relation to any subject embraced in this warrant.
7. To see if the District will vote to make any alterations in the report of the School Board recommending the amount of money required for the support of schools and payment of statutory obligations.
8. To see if the District will vote to raise and appropriate the sum not to exceed six hundred fifty dollars (\$650) for the purpose of installing a coal stoker at the High School building.

Given under our hands at said Hinsdale, this ninth day of February, 1943.

PAUL V. CHAMBERLIN,
HAROLD R. WEEKS,
MARGARET G. STREETER,
School Board.

A true copy of warrant—Attest:

MUSIC SUPERVISOR'S REPORT

I am pleased to submit to my superiors in the school system and to the Citizens of Hinsdale my first annual music report.

In grades one through eight the fundamentals of music and singing are taught in the regular music periods. Work is also done on projects for public performance such as the class singing of grades one through five and the chorus made up of grades six through eight presented at the Christmas Concert.

Every pupil in the High School building has the opportunity to participate in one or more of the following activities: Choir, Chorus, Stringed Instrument Instruction, Band Instrument Instruction, Music History and Appreciation, and Band. Due to an improvement in scheduling, credit toward graduation is now given for Band and Choir.

Musical Events On Labor Day the Band had the honor of leading the Preparedness Parade. A short concert was given after the parade. Participation in the Keene Civilian Defense parade was the Band's next performance and on November 11 it supplied music for Hinsdale's Armistice Day observance.

The Combined Christmas Concert on December 17 included presentation by the Elementary Grades, the Choir, the Chorus, and the Band.

At the Senior Fair and Play February 12 the Band played introductory selections and supplied music between the acts.

A music aptitude test has been purchased which has a complete set of ear tests on phonograph records. These tests have been given to every pupil in grades six through twelve to help in advising them as to their true musical ability.

A number of informal outdoor concerts by the Band were held during the mild Fall weather and they will be

continued in the Spring. Several new instruments have been purchased by the band including a baritone horn which was needed to round out the instrumentation. In adding new members and instruments, balance between brass and reed instruments has been improved.

Every effort is being made and will be made to fit Music into its proper place in the wartime school schedule.

In closing permit me to express to the pupils and parents and to the faculty, headmaster, superintendent, and school board my most sincere appreciation of their enthusiastic support and cooperation.

Respectfully submitted,
CARL E. RICHMOND,
Music Supervisor.

REPORT OF THE HEADMASTER OF THE HIGH SCHOOL

To the Superintendent of Schools:

It is a privilege and honor to submit my second annual report.

The present enrollment is as follows:

Grade	Number of Pupils	Class Advisor
12	15	Doris Beaudreault
11	23	Carl Richmond
10	19	Lucille Smith
9	28	Beryl Marcotte
8	23	Katherine Green
7	36	Isabel Belluscio
6	33	Gladys Lees
<hr/>		
Total,	177	

The teacher turnover in Hinsdale High School this year has been large. To be exact, it was 67%. Of the nine teachers who were here last June, six failed to return in September. This is not peculiar to Hinsdale but is merely a manifestation of what is occurring all over the country. To keep a staff together over a period of but few years is virtually impossible.

We were fortunate to be able to secure replacements for those teachers who have left our school system. Mr. Carl Richmond succeeded Mr. Joseph Jones as supervisor of Music. Mrs. Isabel Belluscio has taken the place of Mr. Morris Smith as instructor in Science and Mathematics. Miss Katherine Green has replaced Miss Esther Carnegie in the English and Language Departments. Miss Beryl Marcotte has filled the vacancy in Domestic Science caused by the resignation of Miss Rosalie Beaubien. Miss Lucille Smith succeeded Miss Bessie Spanos in the Commercial Department. It was decided not to elect a full time teacher to replace Miss Shirley Mayhew. By a rearrangement of the daily schedule, it was possible to create an

approved program with the substitution of a part time teacher for Miss Mayhew. Mrs. Gladys Lees has assumed these part time duties.

By further revamping of the daily time-table, it is now possible to accomplish all regular work in five periods. All these periods are a full hour in length. Supervised study supercedes to a large extent the traditional study-hall where pupils were left to their own initiative. The new schedule provides for a short thirty-five minute period in addition to the five sixty minute periods. Band and Glee Club instruction is given at this time. We are thus able to grant graduation credit in Band and Glee Club. I believe I am correct in stating that this is the first time in the long history of Hinsdale High School that graduation credit for these courses has been granted.

The past fall witnessed one of the most worthwhile projects ever executed by the high school students of Hinsdale. I have reference to the scrap campaign. Mr. Lucian Lerandeau cannot be given too much credit in connection with this particularly successful drive. Under his inspiring guidance, the pupils exceeded our fondest expectations. The results of the campaign are as follows:

Iron and steel,	160,039 lbs.
Rubber tires,	3,220 lbs.
Brass,	634 lbs.
Assorted rubber,	292 lbs.
Lead,	255 lbs.
Inner tubes (rubber),	230 lbs.
Radiators,	166 lbs.
Aluminum,	113 lbs.
Batteries,	106 lbs.
<hr/>	
Total,	165,055 lbs.

One day a week has been set aside for the purchase of war stamps and bonds through the school. The following table shows the totals of such purchases by grades.

Purchases of War Stamps and Bonds through January 21, 1943, are as follows:

Grade	Amount
6	\$510.75
7	71.95
8	107.15
9	59.65
10	35.35
11	66.30
12	27.00

In the near future we will put into operation a physical fitness program. This is in line with recommendations from the War Department through the office of the U. S. Department of Education and finally through our own state office. This will be done with as little interference with our regular program as possible. There will be included, also, in our curriculum certain pre-induction courses designed to aid our young men if and when they are inducted into the armed forces of the nation. The need for such courses has been stated much more ably than I possibly could by Lieutenant General Brehon B. Somervell in a recent address to school and college officials. He says in part,

“The job of the schools in this total war is to educate the nation’s manpower for war and for the peace that follows. We can lose this total war on the battlefield as a direct result of losing it on the educational front. Education is the backbone of an army. This was never more true than it is today—now.”

Dr. John M. Studebaker, U. S. Commissioner of Education, has called upon the schools to “face the stern necessities of war,” to “break with tradition,” and to “abandon for the duration nonessential interests, customary organizational problems, and customary school programs.” May it never be said that we of Hinsdale High School were found wanting in these critical times and that we failed to cooperate to the fullest extent in the all out war effort.

The automobile driving course, started last year, is being continued with Mr. Lerandean as instructor. This course is recommended by the State Department of Education as one contributing to the war effort.

Sixty-four pupils availed themselves of the opportunity to have necessary work done at the school dental clinic. This clinic was directed by Miss Frances Sikoski, the school nurse.

Mr. Ralph Hammond is to be commended for his work in keeping the physical plant in excellent condition.

We welcome at all times visits from parents and interested citizens. The faculty will be pleased to discuss mutual problems with parents and guardians.

In conclusion, may I take this opportunity to express my appreciation to the pupils and parents, to the superintendent, to the faculty and to the Hinsdale School Board for their loyalty and cooperation.

Respectfully submitted,
CHESTER C. LEES,
Headmaster.

SUPERINTENDENT'S REPORT

To the School Board and Citizens of Hinsdale:

I have the honor to submit my fifth annual report.

Teachers: The Hinsdale schools opened in the fall with eight new teachers in the classrooms. During the summer, resignations were received from Miss Isabel Briziski and Miss Anna Moran of the Bridge Street School; from Mr. Joseph Jones, Mr. Morris Smith, Miss Esther Carnegie, Miss Bessie Spanos, Miss Rosalie Beaubien and Miss Shirley Mayhew of the High School, and from Miss Eileen Laurie of the Monument School.

The Superintendent and School Board succeeded in filling all of these vacancies before school opened in the fall with the exception of the vacancy at the Monument School for which no candidate could be found.

Mrs. Rosetta Lowe, teacher at the Plains School, was transferred to grade IV in the Bridge Street School and her place was taken by Mrs. Ismay Campbell of Hinsdale. For the fifth grade position in the Bridge Street School, the School Board elected Mrs. Margaret B. Saari, a graduate of the Johnson Normal School in Vermont.

For replacements in the teaching staff in the high school building, your attention is called to the report of the Headmaster.

The resignation of Miss Beryl Marcotte, teacher of Home Economics, has been received to take effect as of February 12, and her place will be taken by Miss Filomenia Pitraszkiewicz, a graduate of Keene Teachers' College, who is to begin work March 1.

All of the new teachers have adapted themselves well to local situations and the work they are doing is commendable.

Instructional Activities: Special attention is being given this year to Spelling and Arithmetic in the grades and high school, and as a result of standard tests given in the fall, a definite program has been arranged in order to improve the attainments in these fields.

Each senior in the High School has been given the Vocational Inventory developed by Curtis G. Gentry, Director of Guidance in the Public Schools of Knoxville, Tennessee. This inventory has been widely used by counsellors and employers in judging a pupil's fitness for employment in eight different fields of employment.

Increased emphasis has been given to a program of Physical Education for juniors and seniors in cooperation with the U. S. Bureau of Education. The program calls for a minimum of five hours per week of class instruction and at least ten hours of outside physical activity on the part of every boy and girl.

War Time Schools:

Oil Shortage: Due to the large decrease in the allotment of oil, it has been found necessary to close both the village schools on several Mondays and to extend the February vacation period to two weeks instead of the usual one. Furthermore, the oil situation has become so critical in the high school building that the School Board, after a serious consideration of the problem, has recommended that an article be inserted in the school warrant authorizing them to convert to coal in the high school building.

Salvage: All schools participated in the salvage drive during the fall and a large amount of material was collected and sold. The details of the "drive" for the high school building are given in the report of the Headmaster.

War Savings Stamps and Bonds: The purchase of war savings stamps and bonds started last year has continued with enthusiasm through the months of this year with a great deal of success.

Rationing Program: All the teachers, many of the high school students, as well as numerous out-of-school volunteers have participated in issuing ration books for sugar, gasoline, fuel oil and kerosene during the past spring and summer and are again to participate in the distribution of War Ration Book No. 2 during the week beginning February 22.

In conclusion, I wish to express my appreciation to the pupils and teachers, to the School Board and to the parents and patrons of our schools for their loyalty and cooperation.

Respectfully submitted,
 CHARLES W. WALKER,
 Superintendent of Schools.
